SOURCE [REDACTED]

1. A local resident said that the Soviets had installed a radio station on the Zingst peninsula near Pramort (N 55/P 36), between that village and the coast. The radio station is occupied by seven men, and operates for 30 minutes every six hours. The area surrounding the station is off limits.

This document is hereby regraded to CONFIDENTIAL in accordance with the letter of 16 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
